

# INFANTRY TRIPOD

*Our Lightweight Infantry Tripods are a testament to innovation and resilience, engineered to meet the exacting demands of modern warfare.*

## KEY FEATURES

High Strength (Minimum FoS = 20).

Integrated G3 receiver with Low profile tube clamp design.

Configure feet to match Environment (snow, sand, concrete etc).

Fixed leg height and fit 40/50 Soft Mount & Yoke Pintle (all associated adaptors apply).

Corrosion resistant with 50% weight reduction (from original steel version).

Modular Design (efficient ILS, servicing, repair & redeploy).

*Tripod with Soft Mount and Shoulder Bar.*

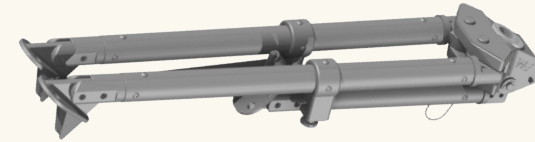

*Tripod with 40/50 Soft Mount.*

*Light-Weight Tripod with Solid Mount Yoke.*

*Heavy-Weight Tripod with M2 Yoke.*

## P10643-200 LIGHT MACHINE GUN TRIPOD

### TECHNICAL SPECIFICATIONS

Weapons Compatibility:	5.56mm GPMG, 7.62mm HMG.
Length:	stowed: 780mm; deployed: 800mm.
Width:	stowed: 150mm; deployed: 930mm.
Height:	stowed: 130mm; deployed: 410mm.
Elevation/ Depression:	+25°/-10°
Traverse:	30° (left) and 30° (right).
Mass:	~6.4kg

## P10643-300 HEAVY MACHINE GUN TRIPOD

### TECHNICAL SPECIFICATIONS

Weapons Compatibility:	5.56mm, 7.62mm and 12.7mm MGs, 40mm AGL.
Length:	stowed: 1320mm; deployed: 1560mm.
Width:	stowed: 240mm; deployed: 1360mm.
Height:	stowed: 140mm; deployed: 530mm.
Elevation/ Depression:	+25°/-30°
Traverse:	30° (left) and 30° (right).
Mass:	~9kg

# T&E MECHANISM

## KEY FEATURES

Single-hand operation.

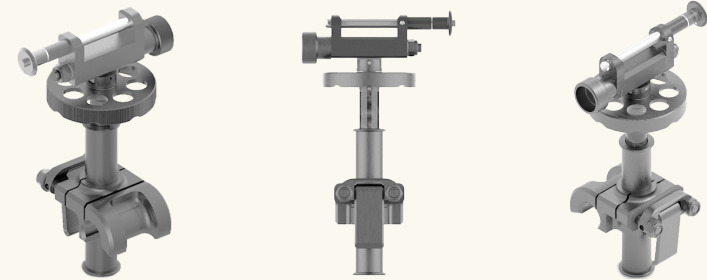

Ergonomic traverse grip & large elevation wheel.

Compatible with 40/50 soft mount, MAG58 & MG5 with optional adaptors.

Quick release mechanism with secure pin - no loose lanyard.

Lightweight aluminium construction.

Expanded adjustment range.

## TECHNICAL SPECIFICATIONS

Tripod Compatibility:	M3 Tripod (HMG 0.5in) & Platt Tripod - Dual Axis 3 Stage Cam Lock attachment method).
Elevation/ Depression:	+24°/-8° (initial only - varies dependent on tripod leg height).
Fine Elevation Range:	62mm
Coarse Elevation Range:	101mm
Traverse:	+/- 22° (from centre line of tripod).
Fine Traverse Range:	32mm
Mass:	1.36kg
Part Number:	P10685

\*(MEASURED ON PLATT LW INFANTRY TRIPOD WITH 40-50 SOFT MOUNT).
